

Minutes of Executive Meeting of HEMSI Chandigarh Delhi Chapter

Chandigarh-Delhi Chapter of High Energy Materials Society of India (HEMSI) organized Executive meeting on 23 Dec 2020 at 1830 hrs at TBRL Sector 30 Chandigarh and online mode. In the present situation of COVID-19, and government guidelines office bearers and executive members could attend physically, others attended the meeting virtually.

- Dr Manjit Singh, Ex-Director TBRL and Chairman, HEMSI Chandigarh Delhi Chapter
- Sh Pravendra Kumar, Sc H Director SPIC, Vice- Chairman, HEMSI Chd-Delhi Chapter
- Sh Prateek Kishore Sc 'H', Director TBRL, Chandigarh
- Dr P K Soni, Sc F, TBRL, Secretary
- Dr Inderpal Singh Sandhu, Sc E, TBRL, Joint Secretary
- Sh Ashok Dahiya, Sc E TBRL, Treasurer
- Executive Members of local chapter

Meeting started with formal welcome of Dr Manjit Singh, former Director TBRL as Chairman, HEMSI Chandigarh Delhi Chapter, Sh Pravendra Kumar, Sc 'H' Director SPIC as Vice- Chairman, HEMSI Chandigarh Delhi Chapter and Sh Prateek Kishore Sc 'H', Director TBRL, Chandigarh. Dr P K Soni, Secretary, on behalf of members congratulated Sh Pravendra Kumar, Vice- Chairman, HEMSI Chandigarh Delhi Chapter for taking charge of Director SPIC Delhi. He on behalf of society also congratulated Sh Prateek Kishore for becoming Director TBRL, Chandigarh. He also presented brief on activities of chapter since last GBM and agenda mainly related to Re-constitution of Local chapter office bearer and organization of HEMSI 2021 at TBRL Chandigarh. Following were the agendas discussed in detail:

1. Review of the work done since last meeting:

After participation in HEMSI 2019 from 16-18 Dec 2019 at IIT Chennai, where it was decided to host Next HEMSI Conference at TBRL, Chandigarh, no formal activities of the chapter happened after that due to present COVID-19 situations.

2. Financial status of the local chapter:

The financial status for HEMSI was presented by Mr Ashok Dahiya treasurer of the chapter, The total balance left in the account is Rs. 5.6 lakhs.

3 Re-constitution of Local chapter office bearer -Nomination of the Vice Chairman, secretary, joint secretary and treasurer of the local chapter:

After retirement of Dr Manjit Singh, Chairman HEMSI from TBRL and Joining of Sh Prateek Kishore as Director TBRL, Chairman proposed to appoint Sh Prateek Koshore, Director TBRL as the new chairman of the chapter. To this proposal Sh Prateek Kishore requested Dr Manjit Singh to continue as Chairman. All the members present unanimously supported the proposal. Chairman agreed to continue and proposed to appoint Sh Prateek Kishore as Vice Chairman of HEMSI Chandigarh Delhi Chapter. Sh Pravendra Kumar, Vice- Chairman and the forum recommended the proposal. Dr P K Soni proposed Dr IPS Sandhu to become Secretary of the chapter and and Dr Arjun Singh to be joint secretary. However, the executive body asked Dr Soni to continue as Secretary till the completion of the conference. Dr Sadhu and Dr Arjun will remain

Secretary elect and Joint Secretary Elect till then. Seeing the volume of forthcoming activities of the chapter executive body appointed Dr Arjun along with Dr Sandhu as Joint Secretary. Executive body proposed Sh Anupam Anand Sc E for Treasurer of the chapter replacing Sh Ashok Dahiya Sc 'E'. Dr Arjun And Mr Anupam has been active executive members for the society since long. Further some of the executive members are not available due to their other assignments, and additionally, a rotation of members of EC is required to provide opportunity to other members of society. So new members are required to be inducted as Executive Members for organizing various technical activities of Chapter.

Executive body appreciated contribution made by outgoing office bearer Sh Ashok Dahiya and executive members in the growth of the society, and thanked them for their contribution to the society.

The office bearer and Executive body proposed the name of following officials to be appointed executive members. All the proposed names were approved by the all present and strength of executive committee of chapter is now 10.

1. Sh Yashpal Singh, Sc F, 2. Mrs Ritu Khurana, Sc F 3. Rep SPIC Delhi
4. Sh Balvir Kumar Sc 'F' 5. Sh Shubhash Chander Sc E 6. Dr Sanjeev Verma Sc E
7. Sh Rajeev Kuamr, Sc E 8. Sh Madan Kumar Sharma Sc 'F' 9. Mrs Meenakshi Bhat Kala, Sc D
10. Sh Manoj Atwal, TO C 11. Rep CFEES Delhi

The governing body in continuation, proposed following changes for managing the bank accounts:

For : Ashock Dahiya
For : Dr Satish Kumar

Read : Anupam Anand
Read : Sh Prateek Kishore

Thereafter, Dr Manjit Singh, Chairman in his remarks said that this chapter of HEMSI is very active chapter and regularly organizing technical meets, lectures, workshop and conferences on topics related to scope of society and interest to all. Further, he mentioned that organizing technical meet/workshop/symposium online/offline should continue. TBRL is going to host 13th International HEMCE -2021, the team will make this event a bigger success than HEMCE-2011.

The Vice Chairman Sh Prateek Kishore requested the members to come forward, participate in activities of chapter and also organize technical session/ lecture related to their requirements. These interactions are very necessary for sharing knowledge, bringing together experts and user to same platform and in deciding the future collaborations. He also requested the young scientists to join HEMSI and take active part in all activities of chapter.

Dr PK Soni, thanked chairman for his guidance and mentioned that the office bearer will work actively toward meeting the goal of the society by organizing technical meet/ seminars on the related areas.

4 Website of the local chapter:

A dedicated website was launched to facilitate interaction among members and with national and international community. The web site 'www.hemsichd.org' was formally inaugurated by the

chairman, has various menus to facilitate navigation. The website need to be updated and make operational as early as possible. Mr Balvir and his team will ensure earliest functionality.

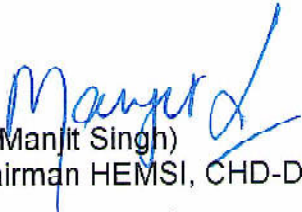

5. Activities proposed for 2021:

The issue was discussed and it is decided that as soon as COVID -19 situation improves a 'Technical Meet' with technical lectures from experts in the field of high energy material technologies and applications, preferably from other countries should be organized online/offline.

6. First Announcement Brochure of the "13th International High Energy Materials Conference & Exhibit" - HEMCE-2021

"First Announcement Brochure of the "13th International High Energy Materials Conference & Exhibit," HEMCE -2021 to be released in January 2021.

The meeting ends with thanks to all members.
